

We can help to make Christmas brighter for children in our community! The Issaquah Food & Clothing Bank is collecting extra items to give to children whose families visit the food bank this December. **Gift cards** mean that each child can receive a gift that was chosen just for them. **Christmas candy and a brand new box of crayons** help to make the holidays special and make a child feel special, too.

Let's remember "the least of these" this Christmas!

### How can CPC help?

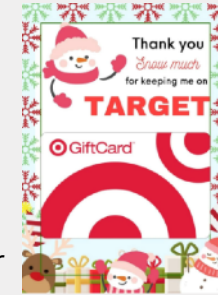

1. Purchase the *specific* items on the back of this flyer.
2. Bring to church through Sunday, November 17th.
3. Put items in the Christmas box on the *Matthew 25:40* table in the narthex.

**Thank you!**
